Value for money

Our steel kiosks are good value for money, as they feature superior design and materials, strict quality standards and high performance criteria.

Infinite applications

Whatever your requirements, we have a range of solutions to suit – large or small, indoor or outdoor and in any location or environment...

A kiosk for any occasion!

Unique

If you can think of it, we can help bring it to fruition!

We love producing bespoke kiosks and this includes talking about them endlessly – so if you have a project or an idea, don't hesitate to get in touch...

Here are a few client favourites:

Superior quality

Our steel kiosks and prefabricated modular buildings are produced to the highest quality standards at Asteco Industria's manufacturing facilities located in Santa Palomba, Italy.

Attention to detail

From day one of the project Prestige Kiosks endeavour to understand our client's needs, requirements and preferences.

Our supportive and agile workflow is underpinned by years of experience.

Bespoke

We provide our clients with a dedicated phone number and email address to enable us to provide technical assistance, maintenance support and answers to enquiries in real time – whenever required.

We go the extra mile:

Requirement gathering

Manufacturing and build

Architecture and design

Delivery and installation

Aftercare support and maintenance
